

# Position Vacant

**Location**                    **Lingard Private Hospital, Merewether**  
**Position**                    **Graduate Nurse Program 2024 (RN & EN)**

## About the role

We know the first weeks and months on the frontline as a fully qualified nurse can be an incredibly exciting but daunting experience. That's why here at Lingard, we will be with you every step of the way. Our caring team of highly experienced clinical professionals will guide, support and teach you as you grow in knowledge and confidence as a Registered Nurse or Enrolled Nurse. An exciting opportunity exists to join the team at Lingard Private Hospital as a member of our New Graduate Program. We are looking for highly motivated, enthusiastic and compassionate graduate Registered and Enrolled nurses to commence in 2024 in our Graduate Nurse Program. Specialty areas to rotate over 12 months include:

Perioperative- scrub scout  
Perioperative- PACU (6 months) & Anaesthetics (6 months)  
Medical/Surgical wards  
Medical wards  
Coronary care unit/Cardiac catheterisation lab  
Intensive care unit

## We can offer you the following:

- ✓ 12 month contract at 0.8 FTE
- ✓ A structured rotation in your desired specialty
- ✓ Inspirational leadership with preceptorship and dedicated NG coordinator
- ✓ Clinical Nurse Educators, preceptors and mentors to guide your learning
- ✓ Time to engage in critical thinking and reflective practice
- ✓ A supportive clinical environment which links knowledge to practice
- ✓ Opportunity to work with the best specialists and clinical professionals in Newcastle, as part of a highly motivated team
- ✓ Career progression at Lingard or one of our Health Care facilities throughout Australia
- ✓ Comprehensive orientation and educational support
- ✓ State of the art facilities across two campuses
- ✓ In-house paid study days as well as short education sessions
- ✓ Supernumerary period on beginning the role

## Essential criteria

- ✓ Display high level interpersonal, verbal and written communication skills
- ✓ Demonstrate clinical knowledge and clinical problem-solving abilities
- ✓ Demonstrate ability to work within a team
- ✓ Exhibit understanding of the professional, ethical and legal requirements of the role
- ✓ Demonstrate understanding of the role in applying continuous improvement to quality and safety
- ✓ Demonstrate application and understanding of Health Care core values

## About the hospital

Lingard Private Hospital is located in the heart of Newcastle, right next to the iconic Merewether Beach, and is part of the Health Care Group. We are Newcastle's premier private hospital with a focus on patient-centred care through our values of best practice, best experience, positive energy, it's personal and respect. We put people at the centre of all we do. Lingard operates 14 surgical theatres, 2 endoscopy suites, level 1 & 2 intensive care, robotics program, coronary care, cardiac catheterisation and rehabilitation. We utilise the best technology and latest medical practices, to ensure the best outcomes for our patients.

## Closing date

5pm, Friday 4<sup>th</sup> of August 2023

**Please supply cover letter containing selection criteria and preferred clinical area as well as current immunisation records, working with children and police check.**
